Summary

The National Migration Service reports the removal of 67 foreign citizens from Panama over serious crimes and illegal activity, including 'Gota a Gota' loan-sharking.

Full text (English)

The National Migration Service maintains rigorous and constant work protecting migratory order and public safety, which has resulted in the departure of 67 foreign citizens from the country. The actions respond to the detection of illegal conduct, notably the profit-making activity known as 'Gota a Gota' (drop-by-drop lending).
