Summary

Drinking water service in Bajo Boquete is starting to be restored. Residents whose supply has not returned should report their area via comments or call 6648-1613.

Full text (English)

Important announcement: Drinking water service in Bajo Boquete is beginning to be restored. Residents are asked to indicate where water has still not arrived so the Municipal Aqueduct team can check supply in the area. Please write in the comments where supply is missing or call 6648-1613. HR Juan E. González / HRS Gabriel Castillo, Bajo Boquete Communal Board.
