Summary

The Alto Boquete community board repaired a pothole on the Wilson Bridge entrance road using graded material and liquid asphalt; the road is now open and in better condition.

Full text (English)

WILSON BRIDGE ENTRANCE ROAD. Responding to requests from residents and drivers on the Wilson Bridge entrance road, the Community Board team went to the site to repair damage to the roadway (a pothole) that was blocking free circulation. Using graded material and liquid asphalt, the street is now open and in better condition for everyone's benefit. H.R. José M. González (Manolín), Alto Boquete Community Board. We keep working.
