Summary

The Palmira board has been working with the Boquete committee of the Panamanian Red Cross on community training. At the Palmira social day, Red Cross member Eliecer repeated the invitation for residents to join their ongoing training sessions.

Full text (English)

For months we have been working closely with the Panamanian Red Cross, its Boquete committee, training and educating the population. They were also present at the Social Day held yesterday in Palmira, and I had the chance to interview Eliecer, who repeated the invitation to take part in the training they have been providing to the community.

Durante meses hemos venido trabajando de cerca con la Cruz Roja Panameña, su comité de Boquete, capacitando y educando a la población. Ellos también estuvieron presentes en la Jornada Social llevada a cabo ayer en Palmira, y tuve la oportunidad de entrevistar a Eliecer quién reiteró la invitación a participar en los entrenamientos que han estado brindando a la comunidad.
