Discovered	2026-10-05 13:00-05:00

Summary

A road sign in Boquete announces that the El Salto road is closed as far as the Ecoparque Cerro la Cruz due to culvert and drainage works. Drivers must use the alternate route to the Ecoparque entering via Volcancito. Photos show pipe installation and excavation along the road.

Full text (English)

Sign: "VÍA EL SALTO CLOSED up to the ECOPARQUE. Follow the alternate route to the Ecoparque entering via Volcancito." A map shows the detour from El Salto through Bajo Boquete/Volcancito/CEFATI to the Ecoparque Cerro la Cruz. Photos show heavy construction: large concrete culvert pipes being installed, excavated trenches, orange safety fencing and an excavator on the roadway, confirming the road is fully blocked to through traffic. Local access to the Eco Parque and El Salto is blocked; the detour must be used.
