Summary

Mas Movil (+Móvil) has enabled free Starlink Mobile satellite SMS messaging nationwide for all its Android and iOS customers in areas without terrestrial mobile coverage, for 48 hours from 9 to 11 October 2026.

Full text (English)

Still connected, Panama. After the recent earthquake, we have enabled FREE satellite SMS messaging with Starlink Mobile so you can stay in touch with your loved ones. Available nationwide in areas without terrestrial mobile coverage, for all +Móvil customers, both Android and iOS, for 48 hours, from 9 to 11 October 2026. Because in the moments that matter most, being connected makes the difference.
