Summary

Naturgy says electricity supply remains affected in various sectors of Chiriqui, Herrera, Los Santos, Veraguas, Cocle and part of Panama Oeste after the strong earthquake of 9 October 2026. Crews are working with the National Dispatch Centre to restore service.

Full text (English)

Statement, Panama, Friday 9 October 2026. We inform our customers that, as a result of the strong earthquake recorded in Panama, electricity supply remains affected in various sectors of the provinces of Chiriqui, Herrera, Los Santos, Veraguas, Cocle and part of Panama Oeste. Our teams are monitoring the situation to follow up on the impacts and work on restoring service in coordination with the National Dispatch Centre. We thank our customers for their understanding.
