The Club Rotario de Boquete (Boquete Rotary Club) Scholarship Committee has begun searching for its next qualified and deserving Boquete scholarship recipients. It plans to award 3 or 4 new scholarships for the upcoming university academic year. Candidates must either be graduating from high school this year and entering university next year, or already studying at a Panamanian university. They must have excellent grades, take part in activities that serve the community, and be in financial need. If you know a suitable student, send the student's name, WhatsApp number and email address to Scholarships@BoqueteRotary.org. The club also features Carlos Alberto Tello Gonzalez, who recently graduated and started a job in his chosen career. To learn more about the club or the scholarship programme, attend a meeting on the 2nd and 4th Thursday of each month at noon at Malu Restaurant, or visit BoqueteRotary.org. Everyone is welcome.
