The US Embassy in Panama is sending representatives to the Boquete Library on Thursday 22 October. From 10:30 to 11:30 a.m. there is a town hall open to all US citizens in the area, focused on the recent earthquake in Panama. After that, limited consular services are offered by confirmed appointment only, from 11:30 a.m. to 12:30 p.m. and again from 1:30 to 3:30 p.m. Services include select US passport services (limited to people who have previously held a US passport), limited notarial services, and validation of foreign driver's licences. The embassy usually visits Boquete only twice a year, so this is a rare chance to get consular help locally. The notice was shared in the Boquete Community Group by Joanna Dodge, who offers help with paperwork and appointments.
