Summary

Meduca's Chiriquí regional office announced on 23 October the route for the 3 and 4 November patriotic parades in David: Avenida Obaldía, past Parque de las Madres and behind Romero in Doleguita, ending at the Chiriquí Governor's office.

Details (summary of the article)

On Friday 23 October 2026 the regional office of the Ministry of Education in Chiriquí published the route for the patriotic parades of 3 and 4 November in David, Telemetro reports. Marchers will go along Avenida Obaldía, passing Parque de las Madres and the rear of Romero in Doleguita, finishing at the Chiriquí Governor's building, where a stage will be set up for officials. Authorities are also drawing up a risk-management plan in case of earthquakes during the parades, covering vulnerable spots, open assembly points and ways to communicate instructions to students. The aim is for the school community to know how to act in an emergency. Other activities are expected in Tierras Altas and elsewhere in the province, although some 10 November celebrations have been cancelled, including those of the Santeños Civic Association in Chiriquí and the traditional events in Santo Domingo de Bugaba.
