Summary

SINAPROC's 24 October provincial tally after the Tonosí earthquake lists 1,191 people affected, 301 homes damaged (97 collapsed), 398 schools affected, and collapsed health centres in Tolé and Barú, with partial damage at the Divalá polyclinic. A shelter at Escuela El María in Remedios houses 14 people.

Details (summary of the article)

As of 4:00 p.m., monitoring, damage assessment and assistance showed these preliminary figures for the province: 1,191 people affected, 790 with partial damage and 401 with total losses. One temporary shelter is open at Escuela El María (Remedios district) sheltering 14 people (8 adults, 6 minors) under local authority coordination. Homes: 301 impacted — 204 with partial damage, 97 totally collapsed. Public buildings: 57 government facilities partially damaged. Health: two health centres totally collapsed (Cerro Viejo in Tolé and Los Olivos in Barú) and the Divalá polyclinic partially affected. Education: 398 schools affected, 392 partially and 6 total losses. Utilities: one collapsed water tank, one cracked tank, one rural aqueduct damaged and one water treatment plant with structural cracking. Churches: 16 with partial damage and one totally destroyed (Virgen Medalla Milagrosa church, Quebrada de Lajas, Tolé). SINAPROC asks the public to stay calm, follow only official sources and not spread unverified rumours; rapid-response staff remain deployed in affected districts.
