These very large wall paintings were composed and painted by members of our handicapped community. There are 3 of them depicting Panama nature scenes, each 61 inches square. They will be presented at the art exhibition at Bambuda Castle Hostel on Friday 30 October, starting at 5 p.m. Tickets are \$20, available at mieventos.com or at the door. A portion of the proceeds will support children and individuals with the conditions addressed by the Handicap Foundation; another percentage goes directly to the participating artists. It would be wonderful if a business bought these paintings for a restaurant, hotel or office. Asking \$500 each or best offer, with a sizable discount for all 3.
