Summary

SINAPROC's 29 October update reports 17,048 homes assessed and 55,212 people registered after the magnitude 7.5 earthquake of 9 October, with 27 injured and two dead. It also details damage to schools, health centres, bridges and roads, plus shelters and international aid.

Details (summary of the article)

Civil Protection (SINAPROC) issued its official report #25 on 29 October on the response to the magnitude 7.5 earthquake of 9 October. With data up to 28 October, damage and needs assessments (EDAN) cover 17,048 homes and 55,212 registered people, with 27 injured and two deaths. Damage is reported at 619 schools, 120 health facilities, 127 government buildings, 44 churches, 22 bridges and 66 road sites, still being verified. Firefighters have worked throughout the 21 days since 9 October, logging over 163,660 man-hours and 13,630 cumulative daily assists, while checking damaged stations in Coclé, Los Santos and Veraguas. Shelter figures stand at 135 shelters housing 4,428 people; more than 208,317 pounds of aid have been flown in and 365 tonnes moved by road to 175 communities, with 38 air evacuations. Among those registered are 166 pregnant women and 2,242 people with disabilities; SENADIS is delivering wheelchairs, hospital beds, mattresses, portable toilets and canes in Veraguas, Herrera, Coclé, Los Santos and the Ngäbe-Buglé comarca. International support includes medicines worth B/.14,142.75 arranged through Panama's embassy in El Salvador, food and hygiene supplies from Russia, and 60 tonnes of humanitarian aid from Germany including 1,000 water filters and 882 camp beds.
