Summary

The Bajo Boquete Junta Comunal reported that on 30 October student Kebny De Gracia of Pío XII school symbolically took the role of representative Juan E. González, president of the Municipal Council, as part of Student Government day.

Full text (English)

Today we had the company and representation of student Kebny De Gracia from the Pío XII school, who represented the honourable Juan E. González as representative and president of the Municipal Council. We congratulate Kebny on his achievements and hope he continues with the same dedication to his studies.
