Summary

The Junta Comunal of Bajo Boquete announced that construction of the bridge near the Boquete Library is finished and now open to traffic. Drivers coming in via the Wilson road can turn there towards the park, downtown Boquete or elsewhere, giving an extra bypass during the patriotic holidays.

Full text (English)

Junta Comunal Bajo Boquete (post shared in Grupo de Boquete): "The construction of the bridge near the Boquete Library has been completed. Any driver entering through the Wilson road can turn here if they are heading towards the park, downtown Boquete, or another location. An additional bypass that will improve mobility during these patriotic days." Signed HR Juan E. González / HRS Gabriel Castillo. The accompanying video shows the newly paved approach and the finished bridge deck with traffic cones still in place.
