We welcome the Month of the Homeland working for Panama! From Chilibre, we delivered a new bus to improve transport for our operators, who for years used a vehicle that no longer met adequate conditions. Today we recognise their effort and reaffirm our commitment to their wellbeing. Our executive director, Antonio Tercero Gonzalez, together with the management team, handed over this vehicle to the men and women who dedicatedly guarantee drinking-water supply. Meanwhile, this Sunday [1 November] our volunteer professionals are in the interior of the country assessing homes affected by the earthquake, now more than 4,000. We are working for Panama and for our people!

Desde Chilibre, entregamos un nuevo bus para mejorar el traslado de nuestros operadores, quienes durante años utilizaron un transporte que ya no reunía las condiciones adecuadas. Hoy reconocemos su esfuerzo y reafirmamos nuestro compromiso con su bienestar. Nuestro director ejecutivo, Antonio Tercero Gonzalez, junto al equipo directivo, hizo entrega de este vehículo a los hombres y mujeres que, con dedicación, garantizan el suministro de agua potable. Mientras tanto, este domingo nuestros profesionales voluntarios están en el interior del país evaluando viviendas afectadas por el sismo, que ya superan las 4 mil. ¡Estamos trabajando por Panamá y por nuestra gente!
