Summary

Naturgy reports that at 8:33 a.m. on 3 November a loss of generation at the Costa Norte plant on the national interconnected system cut power for five minutes to over 20,000 customers in Panama City districts. Boquete was not affected.

Full text (English)

Panama, Tuesday 3 November 2026. We inform our customers that at 8:33 today, 3 November, an event external to our network occurred on the National Interconnected System due to the loss of generation at the Costa Norte plant. This event, outside our responsibility, affected the electricity supply of more than 20,000 customers for five minutes in the sectors of Betania, Dos Mares, Albrook, El Cangrejo, El Carmen, Edison Park, La Alameda, Vía Israel, San Francisco, Vía Porras, Vía Italia, Punta Pacífica and Paitilla in the capital city. As procedures establish, coordination was carried out with the National Dispatch Centre to normalise supply. We apologise for the inconvenience caused by these events external to our network.
