Summary

The Ministry of Public Works (MOP) highlighted renovated roads in Alanje, Chiriquí, saying better roads improve access to homes and quality of life.

Full text (English)

Behind every renovated road there is much more than kilometres of asphalt: there are families who connect, communities that move forward and new opportunities to grow. In Alanje, Chiriquí, improving the roads also means improving quality of life, easing access to homes and driving the development of those who make this land great. We keep building roads that transform lives.
