Summary

Naturgy reports that at 12:47 p.m. on 4 November another external event on the Regional Electric System — the opening of the Mexico–Guatemala interconnection — briefly cut power to more than 52,000 customers in Panama City, Panamá Oeste and Antón, Coclé. Boquete was not affected.

Full text (English)

We inform our customers that at 12:47 today, 4 November, there was again an event external to our network originating in the Regional Electric System due to the opening of the electrical interconnection between Mexico and Guatemala. This new event, outside our responsibility, affected the electricity supply of more than 52,000 customers for 5 minutes in the sectors of Boca La Caja, San Francisco and Bella Vista in the capital, and Ciudad Futuro, Barrio Balboa, Barrio Colón, Guadalupe, part of Arraiján, Capira, San Carlos, El Higo, Las Guías de Oriente, Gorgona and Punta Barco in Panamá Oeste, and Antón in Coclé province. As procedures for this type of event establish, coordination was carried out with the National Dispatch Centre to normalize supply. We apologize for the inconvenience caused by these events external to our network.
