Summary

The Palmira representative took part in the Provincial Council session, meeting the National Decentralization Authority director and other Boquete-area representatives to build ties for future projects.

Full text (English)

Last Friday we took part in the session of the Provincial Council. A pleasant opportunity to share with Ms. Roxana Méndez, Director of the National Decentralization Authority, and Mr. Guillermo Alvarez, President of the Provincial Council of Representatives, as well as with fellow Representatives from the Boquete District area and other parts of the province. These are the spaces where the relationships that make it possible to bring projects and opportunities to the corregimiento are established and cultivated.

El viernes pasado estuvimos participando de la sesión del Concejo Provincial. Una grata oportunidad para compartir con la Lic. Roxana Méndez, Directora de la Autoridad Nacional de Descentralización, y Lic. Guillermo Alvarez, Presidente del Concejo Provincial de Representantes. Así como con colegas Representantes del área del Distrito de Boquete y de otras áreas de la provincia. Son estos los espacios donde se establecen y cultivan las relaciones que hacen posible traer proyectos y oportunidades al corregimiento.
