Summary

HubHive's weekly Boquete music roundup says there are conflicting reports about Tap Out closing or changing owners, so its music line-up has been left off this week's calendar; check with the venue.

Full text (English)

Just an FYI: We were told yesterday that Tap Out is closing and changing owners, and today we were told that they are not. We do not have current information about their music line-up, so it is not on the calendar this week. Please check with the venue. We hope to have more details for you all next week.
