Avanza Futuro Panamá is starting a 6-month practical Electrical course on 6 November at the Potrerillos Community Center. No previous experience is required. The course is valued at \$900, and the Rotary Sunset Club of Boquete will award 50% scholarships to eligible students, reducing the approved student's contribution to \$450, payable at \$75 per month. It may suit an employee, gardener, maintenance worker, neighbour, friend or family member who wants to learn a practical skill. A Spanish flyer is available to share.
