Summary

A News Boquete post says the Handicap Foundation is asking residents to donate electronics that can be repaired; the message body contains only the mailing list's standard footer, so no further details are given.

Full text (English)

A News Boquete mailing-list message is headed "The Handicap Foundation wants your fixable electronics". The distributed text contains only the standard News Boquete footer, with no description of what items are wanted or where to drop them off. Residents interested in donating repairable electronics would need to contact the Handicap Foundation directly or watch for a fuller posting.
