Details (summary of the article)

Telemetro reports that the Agricultural Marketing Institute (IMA) has published its agro-fair schedule for Monday 26 and Tuesday 27 October 2026. All sales points open at 8:00 a.m. In Chiriquí the fairs are at Rancho El Muellero in Puerto Armuelles, Barú district, on Monday, and at the Bongo community court in Bugaba district on Tuesday. Other locations are in Panamá Oeste, Panamá, Colón, the Ngäbe Buglé comarca, Los Santos, Panamá Este and Darién. Buyers must show their cédula to purchase, and the IMA asks shoppers to bring reusable bags. The aim is to offer basic-basket products at accessible prices. None of the points is in Boquete district, so residents would need to travel.
